The World's Best Awards

You, our discerning readers, never cease to inspire us as you travel farther and deeper each year. For the 24th edition of our annual survey, we asked you to rate cities, islands, hotels, airlines, and more. Hundreds of thousands of you answered the call. Cheers to you—and all this year's honorees.

EDITED BY SARAH BRUNING

Destination Spas

This year's honorees attend to guests' emotional well-being as much as they do their physical health. Local ingredients and traditions inform services and enhance each spa's connection to its setting.
