QUIZ STARTS HERE

Limited to 16 guests a week, this no-nonsense retreat in Malibu's Santa Monica Mountains puts you through up to 10 hours of activity daily, from intense core exercises to group hiking. Fortunately, you're rewarded each night with a restorative massage (you earned it!). **T+L Tip** Stay in one of the Haile or Indie rooms at the bottom of the hill—you'll sculpt your legs just walking to classes and meals. 888/777-2177; theranchmalibu.com; all-inclusive; seven days from \$5,600 per person.

Located next to Snow Canyon and an hour from Zion National Park, the property's Sagestone Spa has 14 treatment rooms within a geodesic dome. Fuel up at the Canyon Breeze restaurant, where 500-calorie dinners don't skimp on flavor (try the mushroom-crust ed elk). **T+L Tip** Weekend spa-goers should reserve ahead for the more popular activities, such as guided treks, kundalini yoga, and evening treatments. 877/246-4453; redmountainresort.com; all-inclusive. \$\$\$\$

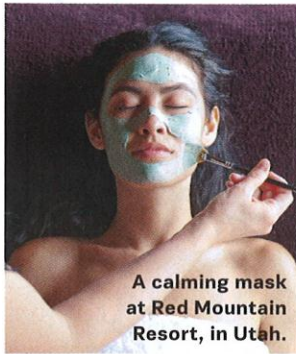

Escape from urban life at this lakeside retreat on 150 wooded acres two hours northwest of New York City, where hatha yoga sessions are followed by rounds of golf and wine tastings. The 40,000-square-foot spa is made for languid afternoons, thanks to its fireplace-equipped quiet room and hydromassage pools. **T+L Tip** Book the Rosemary Awakening, for its wrap of warm seaweed steeped in the extract of Icelandic moss. 866/953-8500; thelodgeatwoodloch.com; meals included. \$\$\$\$

This sanctuary amid 26 forest acres has a pretreatment ritual so soothing you may forget there's more to come: start by scrubbing yourself down with Precambrian sandstone under a rainfall shower, then enter the fragrant steam and dip into the plunge pool. There are fewer activities to choose from than at many other resorts, but that keeps you feeling totally relaxed. **T+L Tip** In winter, snowshoe while spotting eagles as they soar above the Wisconsin River. 888/735-8181; sundaraspa.com. \$\$

Food is a focus at this Spanish-colonial spa spread over 3,000 acres in the foothills of Mount Kuchumaa, where a new open kitchen (the place for cooking classes and more) is set on the property's organic farm. **T+L Tip** Reserve the often overlooked 3 p.m. treatment slot and you'll find extra peace and quiet; you'll have the rooftop relaxation area, sauna, and steam baths almost to yourself. 800/443-7565; rancholapuerta.com; all-inclusive; eight days from \$3,100 per person.
